NOTIFICATION OF THE SOCIAL IMPACT ASSESSMENT
(SUB SECTION 1 of SECTION 4)

Lakshadweep Administration intends to acquire the following land for a public purpose as stated below, as per the relevant provisions of the 'The Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013 for which Social Impact Assessment study has to be undertaken for the affected area as per Section 4 of the said Act read with Sub rule 1 of Rule 3 of the Right to Fair Compensation and Transparency in Land Acquisition Rehabilitation and Resettlement Rules, 2014.

1	Project Developer	Public Work Department, Lakshadweep
		<p>Land acquisition for the construction of Lakshadweep House, Annex (Raj Nivas) and approach road at Kavaratti. The proposed acquisition of land for the development of Lakshadweep House Kavaratti and connecting road around the house is of the nature of public purpose as it involves the establishment of a proper office set up for the Hob'ble Administrator, UTIA and for the VVIPs visiting Lakshadweep on official purpose.</p>
2	Brief Description about purpose of proposed acquisition of land	<p>The present building of Lakshadweep House does not cater to the above official requirement as well as the necessary security requirements. Moreover, it is required to have a proper accommodation and office set up for the head of the UT like what is present in other states and UTs across the country.</p> <p>At the same time, the public is also facing inconveniences passing through the middle road passing through the complex of Lakshadweep House many times due to security arrangement which are made during the visit of VVIPs and VIPs. Accordingly</p>

		there is requirement to divert the middle so as to enable the public to reach the beach road passing through the western end of the Island.

1	Project Developer	Director of Health Services, U.T of Lakshadweep
2	Brief Description about purpose of proposed acquisition of land	<p>Land Acquisition for the expansion of Rajiv Gandhi Specialty Hospital, Agatti Island.</p> <p>The existing thirty-bedded hospital is inadequate to cater to the medical needs of the people of Agatti as well as people from other islands who are shifted to Rajiv Gandhi Hospital through medical evacuations. Therefore, it is required to augment the present facility with more beds and other medical infrastructure. Also, it is required to construct private wards in order to cater to the tourists who are arriving in Lakshadweep with standard facilities.</p> <p>Agatti is indeed the gateway to Lakshadweep since airport is situated there and attached islets Bangaram and Thinnakara are both domestic and international tourist destination. Lakshadweep Administration is in the process of developing high-end eco-tourism facilities in the islands. Therefore, it is the bound responsibility of</p>
